

Oak Park July/August Summer Clinic Series

Who is Level UP Basketball?

Level UP Basketball, based in Downers Grove, was founded by Westmont High School alumni Matt Forzley and Steve Larsen in 2011. They were part of Westmont's only trip to the state basketball tournament in 2001. They have a combined 30+ years of experience coaching youth basketball. Level UP originally formed as a summer camp to help kids improve their game in the off-season and has grown to offer winter and spring teams, private lessons, clinics, and more.

What do the Summer Clinics Look Like?

Level UP Summer Clinics are **co-ed** and available for **Boys** and **Girls** entering **grades 3-8** in Fall 2023. To accommodate the desired flexibility in families' summer schedule, Level UP Basketball designed a virtual punch card system so players can attend clinics when their schedules allow.

Summer clinics will primarily be run by **Coach Larsen**, an Oak Park resident, who has spent the past 9 years as a math teacher and the head Freshman Basketball Coach at Downers Grove North High School. His goal is to help kids grow confidence on and off the court, enjoy the game, and maximize their potential by demonstrating the importance of a strong work ethic.

Clinics will be held at **St. Giles School** in Oak Park.

Clinics will have an offensive focus, helping players develop crucial individual and team skills. Skills will include ball handling, shooting, passing, spacing the floor, scoring in transition, attacking the rim, and more!

Discounted Pricing for OPRF Basketball Campers

1 punch - \$20 ~~\$30~~

6 punches - \$80 ~~\$120~~

10 punches - \$120 ~~\$180~~

How do I Participate?

You participate by purchasing a Level UP Summer Clinic punch card. Punch cards can be purchased at www.levelupbasketball.com/oak-park. Once your card is purchased, you will be sent a master schedule where you can sign up for individual clinics based on your child's availability.
